CHAPTER 2

2 Particulars of Organization, Functions and Duties:-

2.1 Objective/Purpose of the Public Authority :

A: Our Vision & Mission:- The Department of Ecology Environment & Remote Sensing, J&K is actively engaged in overall environmental-education, assessment, monitoring, protection and awareness building among the people of J&K. A multi-dimensional approach is being adopted by the Department for promotion, conservation & preservation of environment of this State.

B: Our Aims, Objectives & Activities:- The aims, objectives and activities of this Department are as follows:-

- a) Dissemination of environmental information.
- b) Creating awareness among public in general and students in particular about environmental issues and promote such programmes so as to make J&K State Clean, Green & Pollution free.
- c) Development of environment & bio-diversity parks for nature lovers, general public so as to imbibe habit of conservation of natural resources and respect for the laws of nature.
- d) Organizing tree-plantation programmes in schools, colleges, residential areas, parks, industrial areas, etc.
- e) To enforce suitable policy interventions to reduce air pollution.
- f) Promoting ethos of conservation of water by minimizing the use of water and curtailing wastage of water.
- g) Promoting rain water harvesting systems in all sectors such as domestic, schools and various other institutions, etc.
- h) Motivating the citizens to imbibe habits and life styles supportive of minimum waste generation, segregation of waste at source, disposing off the waste at the nearest collection point, composting of horticulture and kitchen waste for making manure which could be used in kitchen gardens, nurseries, parks, etc.
- i) Sensitizing the citizens to “Say No to Polythene & Plastics”. In J&K, the use of Non-Biodegradable polythene Carry bags stands banned from May’2009 under the J&K Non-biodegradable (Management, Handling & Disposal) Rules’2009. The citizens are encouraged to use eco-friendly alternatives like jute, cloth, willow wicker baskets, handcrafted biodegradable containers, etc.
